Ready To Use

When you open a can of Don Pepino Pepper Strips and you will immediately notice the rich color, uniformly sliced, firm peppers strips. Strips that are cut to perfection and can be used to enhance any recipe created by you or a Master Chef.

Consistency

Don Pepino peppers must meet certain size, color and variety specifications. This, coupled with hand harvesting, provides you with the same consistent peppers can after can. The key to success is consistency. Consistency, not only in flavor, but appearance as well.

Universal Use

Peppers are an ideal enhancement for spaghetti sauce, pizza, steak sandwich and fajitas to name a few. As a matter of fact, only your imagination will limit the many different uses you can find for using Don Pepino Pepper Strips.
