

Violet All Natural Special Pizza Sauce

A fully prepared Pizza Sauce containing only the freshest and ripest vine ripened tomatoes, combined with domestic and imported spices

Signature Sauce

Taking its name from the state flower of New Jersey this fully prepared pizza sauce is truly worthy to carry the name Violet -- for the company that produces it. First developed in the late 1940's Violet Special Pizza Sauce has adhered to its original formula utilizing only fresh tomatoes.

Ready to Use

Violet Special Pizza Sauce is a fully prepared pizza sauce. Nothing needs to be added to the naturally rich flavor.

Natural Ingredients

Violet Special Pizza Sauce contains only fresh vine ripened tomatoes. Harvested at the peak of ripeness, these tomatoes combined with non-cholesterol corn oil, imported and domestic spices, offer a pure tomato fresh pizza sauce. We are able to do this without the use of sugar, corn syrup, tomato paste or citric acid. These are used to artificially sweeten or thicken a product. In many cases making it less costly to manufacture.

Consistency

Since Violet Special Pizza Sauce is "kettle cooked" you can be sure that no batch is put into a can until it meets our 4-step quality control process. A process, that has ensured the success of our products for more than 50 years.
