Lot/Code Date System is a 4 digit alphanumeric code. Numeric corresponds to the 4-hour shift and production date. The letters designates the product. "RG" is for red & green pepper strips. The code is changed at 4-hour intervals.
Example: RG01 would be the first four-hour period in the current year and RG08 would be the eighth 4-hour period in the current production year.
In addition there is an open code date designating the full date and time produced with a sequential production number on each can.

This code system was started for peppers in 2003.
