Don Pepino All Natural Spaghetti Sauce

Our Old World Family recipe uses only finest quality tomatoes picked fresh daily. All natural ingredients are blended in a four step cooking process.

Family Recipe

Don Pepino Spaghetti Sauce comes from an Old World Family recipe that continues to be enjoyed today. The mouth watering, delicious taste combines the finest natural ingredients, with a secret blend of imported spices, non-cholesterol corn oil and lightly flavored with salt.

Taste-Saving Process

Every can is of the highest possible quality. Don Pepino demands that all the tomatoes it uses are harvested and processed at the peak of their ripeness. By doing this, all the natural flavors from the tomatoes are maintained, giving Don Pepino Spaghetti Sauce that fresh, delightful taste.

So Easy To Use

All the Master Chef or an Assistant Cook has to do is open a can of Don Pepino Spaghetti Sauce, heat it up and it's ready to use. There is absolutely no need to add anything to the outstanding Old World recipe, no other ingredients need to be added!

Consistency is the Key

Absolute consistency in every can is guaranteed. Don Pepino has a four-step quality control cooking and processing sequence to ensure the rich consistent texture of its Spaghetti Sauce. That is critical in today's marketplace because you, the customer, want to be sure that the product offers the same flavor and consistency year after year.

Total Customer Satisfaction

Our Spaghetti Sauce has continued to get unsolicited comments from people over the years. They say Don Pepino Spaghetti Sauce has an authentic Italian flavor, it can be used in dishes like lasagna or any other tomato-based recipes. There is absolutely no aftertaste. The "tomato-based" taste of Don Pepino Spaghetti Sauce is so outstanding, that it seems it was just made fresh in Grandma's kitchen.
